Botello, Jorge		10	20	25	45			<b>100</b>				

Qualifying for BAR

<https://atta.asn.au/program.html#bar>

Note: because of the loss of several events, the points totals have not be constrained)

'Speed' is the average of the best speeds at each of the qualifying distances where the required mix has been completed.

The BAR trophy winner (Hart trophy) needed to ride either the '160' or Gidge 'C' (Hilly 1 or 7)
