ATTA members: Qualify for the Hillies and BAR

To qualify for Hilly Classic Series: starts in 5 rides are needed*.

*Since the 2001-2 season it has been a qualifying requirement for both the BAR and *Hilly* series of the Summer program that riders must assist at TWO events by either marshalling or arranging for someone else to marshal in their place. Assistance at a *Hilly* event will count as a completed ride for the series (although not, of course, gaining any points towards the trophy).
