

# BIRDS IN THE PARK

## ...part of the Early-Birds Series Kings Park, Tuesday Mornings

START 6:45 AM

This is the fifth BIP series and will again be assisted by GLEN PARKER CYCLES.

If you wish to qualify for the series prizes you will need to ride five of the seven events.

Series entry is available for \$25 (\$40 for non-members) but if you don't intend to ride the series you can still ride individual events. Entry fees then are \$5 for ATTA members or \$8 for non-members.

A points system will again be used and riders will be categorised according to ability and speed. Numbers allocated at the start of the series will be used for all rides but if a rider is unable to ride in a particular event that number will be re-allocated for that event only.

If you have nominated to ride the series (or any particular event) and find yourself unable to get to it we do expect you to notify us: email up until the day before or SMS or call 0408902349 - even on the morning of the event.

If a number is not collected **at least 15 minutes** before the scheduled start for that rider it will be re-allocated. In the past few years there have been plenty of riders looking for starts or, in particular, earlier starts. No-shows without explanation risk being moved to the end of the start list.

Final times are posted at the event and full results including lap times and points are available on the ATTA website later in the day of the event.
