Significant milestones

- First AGM: 13/6/1989 (North Perth)
- affiliated with WACF as 'promoting' body without voting rights 2/12/1988
- full club status sought 1990
- WAVCC wound up & merged with ATTA Jan-Feb 1990 ('merger' necessary because WACF claimed it had priority in claiming assets of WAV if it was merely wound up; no formal merger was effected & the formality of winding-up proceeded through 'Corporate Affairs'; assets of WAV were transferred to ATTA)
- 1992 Disaffiliated with WACF; ATTA was already an affiliate of TWA (as from December '91)
- 1993 ATTA-NSW events began (Peter Jenkins) 14th March 1993, 25km at Calga.
- 1995-96 Re-affiliated with WACF at the invitation of the incoming WACF President (Jeff Leslie).
- 1996 July ATTA website posted <http://atta.asn.au>
- 1999 Registered for ABN (Nov 1)
- 2000 (new WACF constitution) ATTA moved its insurance to Finsura and premiums based on formula 'riders/event'. November - affiliation with TWA lapsed
- 2001 ATTA-NSW convener now Chris Greaves (Peter Jenkins left NSW January 2003)
- 2002-03 Deliberations by Board of Cycling WA (re-badged in this period) on membership definition: remained unchanged (August '03) ie ALL members of affiliated clubs are members regardless of holding a CA licence and clubs are voting members if they have at least 25 members. No extra fee is to be levied for non-licensed members because they don't enjoy any benefits of C-WA membership anyway. But there never seemed to be any change in Administrative practice eg: the need for full membership lists was never insisted on although the discounted affiliation fee did vanish after a few more years.
- 2002 Titta established (Nov 2002 - Nov 2006)
- 2007 August ATTA-Vic incorporated and ran events until November.

- 2008 June. Began to use MyLaps electronic timing.
- 2008 ATTA-NSW Pty Ltd registered as company with Chris Greaves sole director (cancelled in 2014)
- 20th Birthday - celebration in Kings Park November 9, 2008.
- 25th anniversary missed (2013)
- 2009-2011 Cycling WA (WACF) went into meltdown with resulting protracted litigation over governance with ATTA as one of four litigant clubs; a new constitution produced and ATTA maintained its affiliation. Legal settlement of litigation finally reached in 2012.
- 2011 WestCycle finally constituted: from its inception ATTA became an affiliate member.
- 2013 CyclingWA fell apart again becoming insolvent and was wound up. CycleSport WA (no longer – any WACF), created as an entity within WestCycle. ATTA re-affiliated with CS-WA.
- 2013 New constitution (Rules) to comply with Associations Incorporation Act (1987)
- 2017 New Act (2015) Rules amended to comply; done by committee and approved without need for Special General Meeting.
- 2017 ATTA-NSW: January: Chris Greaves retires and passes the responsibility on to Brad Craft & Paul Craft.
- 2018 ATTA's 30th birthday November 9th.
- Brian Hawes, founding and life member died 4/05/2018.
- Big Jim Matthews died 7/02/2019
