Today we celebrated Rick Churchill's 300th ATTA ride, well done Rick!

The forecast East to South Easterly wind was there enough to make its presence felt with only 4 PB's from today's event. Oli Stenning took out the honours in the Men's TT category with Marion Mundt leading the Women's TT category, with Jeremy Smith setting a new course record for the Junior's in the process. Adam Ralph took home the Men's Road Bike category with Lauren Humphreys setting the pace for the Women's Road Bike category, setting the course records for the next event! Jon O'Brien generously gave up his ride to run the desk with ease, Peter Lundberg and his son set everyone off safely for their first time, Will Donegan ensured everyone navigated the first corner, and Stu Murray and Sue Challen signed the course / BWTM. Mouse provided his usual flawless pre and post event processing. Our next event is back at Kings Park on the 26th of December.
