The forecast was for the Easterly breeze and it did not disappoint, adding another dimension to coming back up the hill. Matthew Connan was first home in the Men's TT category demonstrating what a season of racing in Italy can do for your legs, with Marion Mundt first home in the Women's category, and a PB! Rickey Andrews took out the Men's road bike category with Joely Patterson taking out the Women's road bike category. Happy Birthday to Nigel Reynolds and well done to the 6 participants that managed a PB in less than favourable conditions. Our next event is this coming Sunday the 17th at Chidlow B, entries close at 6pm on Thursday.
