We were certainly greeted by a windy day at Gidge A, and combined with the expected temperatures and the quality of the tarmac, PB's were not going to be easy to come by. Troy Malatesta and Jennifer Davis set the road bike course records being the first time we have run this event since opening up those categories, with Jarrad Anderson and Kate Bonner taking out the time trial categories. It was Darren Wright's 150th ride at ATTA and despite claiming he was a blowfish on the start line, he managed to negative split the course and turn in a respectable time. Gwyn Williams expertly managed the desk at an alternate location, John Healy started everyone off, Ian McRobbie and Summer Roberts kept us safe out on the course, Troy Wainwright and Kim van Amerongen signed the course and I made a mess of the timing system. Mouse provided his usual pre and post event processing and we will see you all at the next event
