We were greeted with humid and still conditions this morning combined with a damp course. Matt Burton returns to the top of the list in the men's TT category, with Marion Mundt taking out the women's side. Alec Vukovich was first in the road bike category setting a new road bike record in the process, with Mikayla Smith taking out the women's side. Paul Borrett was up early setting up the course with Vanessa Johnson and Deb Kempe from 4Five+ welcoming everyone at the desk. Mick Brammer and Mark Taylor kept non essentials off the course and Darren Wright and Tanya Birkbeck set everyone off safely, with Mouse providing all the necessary results collation. We are back on the 12th of December at Kings Park, entries will close on Saturday the 9th at 6pm.
