Today was Els Visser's final ride with us for this visit to Perth and she did it in style, breaking Emma Pooley's course record by over 2 minutes. Els and Emma are not just high performing sportswomen but are also great sports and ATTA has been honoured to have had them join our events. We wish Els the best in her upcoming Challenge Wanaka and Ironman New Zealand events. If you don't know her life-changing story, have a read here. <https://elsvisser.com/>.

Everyone hurts whether you are Els Visser, Emma Pooley or new to TT events. Well done to those who had an early start time today and battled the wildest wind gusts on Oakover Rd and Campersic Rd. At least the wind became more consistent throughout the morning! The wind didn't seem to bother Jarred Anderson and Matt Burton too much. There were only 2.2 seconds in it when they had both crossed the line, with Matt finishing just ahead of Jarred in a new course record time.

In the 21km distance, Darren Shanahan took first place for the men and Leanne Novatscou for the women. A special mention to Phil Gyford, who won the 80-89 years category, now two weeks in a row.

Kudos to Greg Perry who rode his 650th ATTA event today and Kirsty Turner her 50th. Conditions seemed to be good for PBs with Floora De wit, Matheos Venetis, Mark Radziejewski, Lee Bolden, Chris Roberts, Paul Borrett, Michael Orton, Matt Burton and Brett Amos all setting themselves a higher bar for next time they ride the Herne Hill course.

It is often a bit difficult to find a place to warm up but riding the course in reverse is a good option. It means those riders that start the event early are not disrupted.

Rider and public safety are our priority and much work goes into this before the event and also on race day. Thank you to Sue Challen who ensured the course set-up was safe and compliant with our approval, helped by Karl McIntyre who handled the trailer and signed the course. Thank you to Ian Turner, Will Wishart and Ron Sofield who marshalled the corners. Unfortunately, a few riders didn't follow instructions to always remain on the left-hand side of the road and were disqualified for going wide and onto the wrong side of the road at corners.

We also appreciated Megan Stalker starting us off, David Equid ensuring we were timed, Tanya Birkbeck managing the desk and John Healy overseeing the day.

We next race against the clock at Wooroloo on Sunday the 26th of February. The normal distance for this course is 34km with options for 17 or even 52km. There are multiple bakery options in Chidlow, Gidgegannup and Mundaring on your way home. Make sure you register by 6PM on Thursday the 23rd of February.
